

## **STUDENT RIGHT-TO-KNOW ACT**

The Student Right-to-Know Act, passed by Congress in 1990, requires institutions eligible for Title IV funding, under the Higher Education Act of 1965, to calculate completion or graduation rates of certificate- or degree-seeking, full-time students entering that institution, and to disclose these rates to current and prospective students. To read more about the Student Right-to-Know Act, please visit the National Center for Education Statistics website at <http://nces.ed.gov>. Our goal at SJBSM is to be as transparent as possible with prospective and current students. The information provided is to help provide a snapshot of the university. In addition, useful tools are included to assist the student in obtaining even more detailed information.
